

# OUR IMPACT 2017

JANUARY | FEBRUARY | MARCH

## WHO WE ARE

The **Set Free Movement** seeks to create new futures and end modern slavery through community-based action and partnership with others.

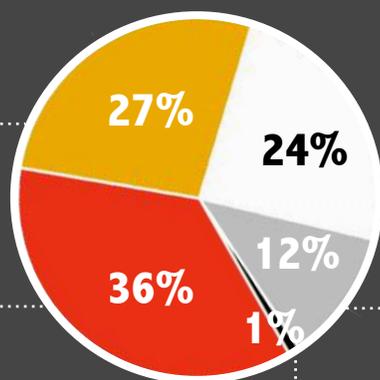

## WHAT WE DO

We coach, support, and mentor **35+ teams** in the U.S. and around the world to address the brokenness in their communities that breeds human trafficking and other injustices.

## HOW WE DO IT

We engage **all sectors of society**—from social services, health care, and the faith community to law enforcement, academia, and government—through 5 main strategies: education, community mobilization, prevention, supporting rescue, and restoration.

## Overview of Our Focus in the United States

### EDUCATING INFLUENCERS

such as teachers, social workers, law enforcement, nurses, and pastors.

### MOBILIZING ALL SECTORS

of society to pray, give, serve, buy ethically, address exploitation, and more.

### SUPPORTING RESCUE

led by professionals to help meet needs of and provide exit strategies for victims.

### RESTORING SURVIVORS

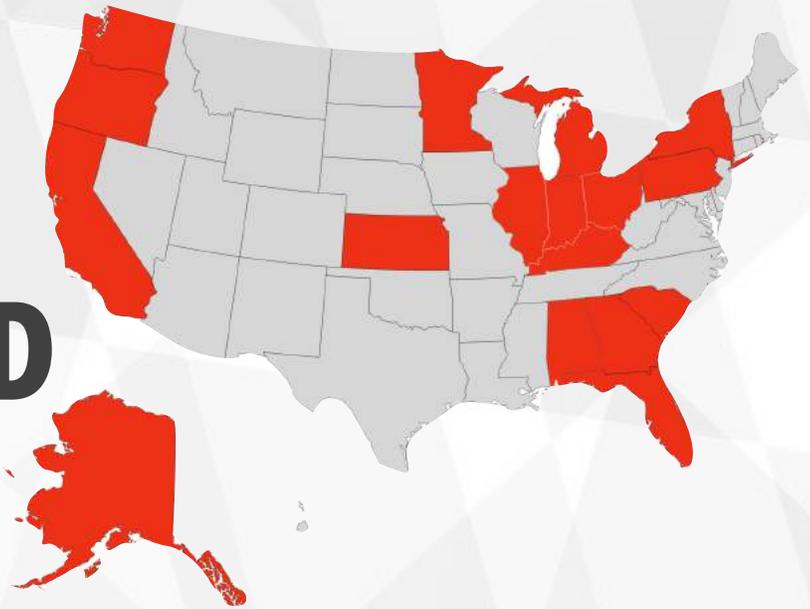

of abuse and human trafficking, as well as rebuilding broken communities.

### PREVENTING EXPLOITATION

especially in people who are homeless, in foster care, or are unemployed.

# GLOBAL IMPACT

**HUNGARY**

**Ildikó**, our Set Free leader, leads a Life Skills program in Budapest which builds the resilience of people who are unemployed or underemployed. She also raises awareness in Hungary and throughout Europe. In March, she was interviewed for a Portuguese magazine, *Evellis*, which was also broadcasted on TV in 12 European countries.

**BULGARIA**

Our partners, Free Methodist missionaries **Dee Dee and Chance Galloway**, are seeking to secure a house for at-risk Roma girls. They also launched 6 new church plants. By investing in pastors and churches, the Galloways are reinforcing values that children are made in the image of God and are not to be sold or abused.

**THE PHILIPPINES**

Our Set Free leader Ken and her husband Jemuel trained the **parents of about 40 at-risk children** on preventing child trafficking in February. Ken is building a team that will prevent the online sexual exploitation of children and other forms of slavery.

**CAMBODIA**

Kevin Austin, Director of the Set Free Movement, trained **23 Cambodian pastors** in January. These pastors will help to shift the harmful values in their communities that reinforce gender inequality and perpetuate abuse.

## Other International Projects:

Supporting Filipino women who have migrated to **Taiwan**

Training social workers in **Burundi** on intervening in human trafficking

Educating families on preventing exploitation in **India**

Emerging work in **Hong Kong** to help at-risk immigrants
